ANDRE THE BEAST CRAYTON

MOTIVATIONAL SPEAKER · MEDIA FOUNDER · AUTHOR

THE STORY

Andre The Beast Crayton knows what it means to be counted out — and to refuse to stay down. Born in Albany, Georgia, he forged himself first as a competitive bodybuilder, then built iAmBeastNetwork and I Am Beast Radio from a single microphone into a network of 20+ shows across three radio stations, with its own television channel live on Roku. A BMI-registered songwriter and author of the forthcoming memoir Daddy Don't Cry, Andre speaks on resilience, fatherhood, faith, and building your own table.
